EDUCATION

Veritas University   **Abuja, Nigeria**

B.S. in Software Engineering   *Expected Graduation, July 2027*

- o **Concentrations:** Web and Mobile Development
- o **GPA:** 4.10/5.00
- o **Related Coursework:** Data Structures & Algorithms, Object-Oriented Programming, Web & Mobile Development, Internet Technologies

EXPERIENCE

FlexiSaf Edusoft   **Abuja, Nigeria**

Frontend Engineering Intern   *July 2025 - till date*

- Built dashboards and frontend interfaces that displayed dynamic metrics, putting emphasis on clarity, responsiveness, and modern styling
- Explored frontend animation techniques and practiced turning static layouts into lively, user-friendly experiences through motion and interaction
- Created visually engaging UI components with HTML, CSS, and JavaScript, focusing on smooth animations and transitions using GSAP
- Applied frontend principles to enhance layout structure, refine user flows, and elevate the overall look and feel of dashboards

PROJECTS

Burna Boy Animated Website - Live Site

May 2025 - July 2025

- Developed an engaging, animated website showcasing Burna Boy's content with smooth user interactions.
- Implemented responsive design principles ensuring optimal viewing experience across all devices.
- Utilized GSAP animations and TalwindCSS to create dynamic visual effects that enhance user engagement.

Barbing Appointment Website UI - Live Site

June 2025 - August 2025

- Designed and developed an intuitive web interface for booking barber appointments online.
- Created user-friendly booking forms, service selection, and scheduling features for streamlined user experience.
- Optimized for mobile responsiveness and accessibility to serve a wide range of clients.

ACTIVITIES

Ministers of Hospitality - Veritas University   **Abuja, Nigeria**

Member   *January 2024 - Present*

- Demonstrated strong communication, teamwork, and attention to detail in university functions
- Supported event coordination by welcoming guests, managing audience flow, and ensuring a positive campus experience

Coding Club - Veritas University   **Abuja, Nigeria**

Member   *June 2024 - Present*

- Collaborate with peers on projects using HTML, CSS, JavaScript and React.Js
- Engage in technical workshops and coding challenges to improve problem-solving and frontend development skills
